

# One + One Membership Drive

Quarterly drawing winners to receive a \$100  
American Express Debit Card.

Chapter Members who recruit additional members may enter their names equally to the amount of members recruited, increasing your odds of winning! Drawings to take place, beginning November 2009, at our monthly Breakfast Meetings.

Each 'new recruit membership application' should have your name and our chapter listed in order to get credit. Applications may be printed from our website and are available at all our events. Carry a few around with you...you never know where you may be, or who you will run in to.
